

DAY 4 - BUILDING DYNAMIC FRONTEND COMPONENT FOR OUR MARKETPLACE

1. Product Listing Component:

🔗 *Render product data dynamically in a grid layout.*

🔗 *PREPARED BY AMEEN ALAM 4*

DAY 4 - BUILDING DYNAMIC FRONTEND COMPONENTS FOR YOUR MARKETPLACE

- *Product Name*
- *Price*
- *Image*
- *Stock Status*

2. Product Detail Component:

🔗 *Create individual product detail pages using dynamic routing in Next.js.*

☐ Include detailed fields such as:

- *Product*
- *Description*
- *Price*

To Be Continued.....
